

# I Remember You

## Sebastian Bach

You remember me, Japan?  
Because I remember you, baby!  
Sing with me one time Woke up to the sound of pouring rain  
The wind would whisper and I'd think of you  
And all the tears you cried, that called my name  
And when you needed me I came through I paint a picture of the days gone by  
When love went blind and you would make me see  
I'd stare a lifetime into your eyes  
So that I knew that you were there for me  
Time after time you were there for me  
Remember yesterday - walking hand in hand  
Love letters in the sand - I remember you  
Through the sleepless nights, through every endless day  
I'd wanna hear you say - I remember you We spend the summer with the top rolled down  
Wished ever after would be like this  
You said I love you babe", without a sound  
I said I'd give my life for just one kiss  
I'd live for your smile and die for your kiss Remember yesterday - walking hand in hand  
Love letters in the sand - I remember you  
Through the sleepless nights, through every endless day  
I'd wanna hear you say - I remember you We've had our share of hard times  
But that's the price we paid  
And through it all we kept the promise that we made... I swear you'll never be lonely  
Mr Richie Scarlet on the lead guitar, right here Woke up to the sound of pouring rain  
Washed away a dream of you  
But nothing else could ever take you away  
'Cause you'll always be my dream come true  
Hey Tokyo, I love you Love letters in the sand - I remember you  
Through the sleepless nights, through every endless day  
I'd wanna hear you say - I remember you  
Remember yesterday - walking hand in hand  
Love letters in the sand - I remember you  
Through the sleepless nights, through every endless day  
I'd wanna hear you say - I remember you
