Summer Breaking (feat. Kevin Parker)

Mark Ronson

Driving quick past [?] pass is 1000 feet high All in sky

Pulling the clock down in the back of some pretty girl's ride
You get highAvenues into this bowl for tips
Foreign ships as long as girls ride on their [?]We're always summer breaking when we ride in

We're always summer breaking hanging out near the boys in the park Summer is gone, summer breaking fall(?)Give em new hell, got a new record to chill in your car Sing along

the streets after dark

It feels so good, doesn't know you're too bright and too calm Like a diamondPlay your [?], playing away you forget [?] Baby girl, you can [?]

We're always summer breaking when we ride in the streets after dark
We're always summer breaking hanging out near the boys in the park
Summer is gone, summer breaking fall(?)
