

All the Love

The Outfield

I can't believe the things that happen to me
I guess that I should have seen a long, long time ago
Letters you write don't help me get through the night
So I'll just turn out the light
and sleep here all alone All the love, all the love in the world
All the love, I'll be sending you girl
All the love
All the love in the world
Time after time I put my life on the line But I ain't committed no crime, so take what you can
find
Forget what I say cos I'll keep running away
I only live for today, but I'm one day behind
These are the words that I whisper on every first night but that day you left me
those words were on that same flight
I can't believe the things that happen to me
I guess that I should have seen a long, long time ago
Letters you write don't help me get through the night
so I'll just turn out the light
and sleep here all alone
