

# All the Love

## The Outfield

I can't believe the things that happen to me  
I guess that I should have seen a long, long time ago  
Letters you write don't help me get through the night  
So I'll just turn out the light  
and sleep here all alone  
All the love, all the love in the world  
All the love, I'll be sending you girl  
All the love  
All the love in the world  
Time after time I put my life on the line  
But I ain't committed no crime, so take what you can  
find  
Forget what I say cos I'll keep running away  
I only live for today, but I'm one day behind  
These are the words that I whisper on every first night  
but that day you left me  
those words were on that same flight  
I can't believe the things that happen to me  
I guess that I should have seen a long, long time ago  
Letters you write don't help me get through the night  
so I'll just turn out the light  
and sleep here all alone
