

Tyrant (feat. Jorja Smith)

Kali Uchis

Na uh uh uh uh uh uh uh
Uh uh uh uh
Uh uh uh uh uh
Baby dímeló
Uh uh uh uh
Dímelo, dímelo, dímelo All I hear is sirens
In a world so violent
Would you be a tyrant?
If I gave you power
Would you take it out
Look me in my iris
I can read your silence
When everything is a riot
You're my peace and quiet
All around we go
Your lovin' is like a kaleidoscope
I don't wanna come down
Keep spinnin' me 'round and 'round
And 'round and 'round and 'round
Wanna seize the throne
But what would you do with all that control
I don't wanna come down
Keep spinnin' me 'round and 'round
And 'round and 'round and 'round Word on the street, you got hoes
I disappear like El Chapo
'Til you said you would cut off the whole world
If little old me would be yours
Mira, mira, míralo (míralo, míralo)
Papi está rico, papi está guapo (papi está guapo)
The worlds been asking us to lose control
All we ever do is French like Brigitte Bardot (Brigitte Bardot)
All around we go (all around, all around)
Your lovin' is like a kaleidoscope
I don't wanna come down
Keep spinnin' me 'round and 'round
And 'round and 'round and 'round (around, around)
Wanna seize the throne (I know you wanna, I know you wanna)
But what would you do with all that control
I don't wanna come down
Keep spinnin' me 'round and 'round
And 'round and 'round and 'round (around, around) Uh uh uh uh
Uh uh uh uh uh

Baby dímelo
Uh uh uh uhUh uh uh uh
Uh uh uh uh uh
Dímelo, dímelo, dímeloJeez Louise, Danny Caes
Power's gon' to your head, boy I see
Let me put your mind at ease
You wanna be a tyrant
Do you have it in you?
See, life is crazier now
I know you're just tryna figure it out
How to be the man without
And still be baby Danny
Bring honor to your family
PeaceAll around we go (all around, all around)
Your lovin' is like a kaleidoscope
I don't wanna come down
Keep spinnin' me 'round and 'round
And 'round and 'round and 'round (around, around)
Wanna seize the throne (I know you wanna, I know you wanna)
But what would you do with all that control
I don't wanna come down
Keep spinnin' me 'round and 'round
And 'round and 'round and 'round (around, around)Uh uh uh uh
Uh uh uh uh uh
Uh uh uh uhUh uh uh uh
Uh uh uh uh uh
We're goin' 'round and around and around, and around nowUh uh uh uh
Uh uh uh uh uh
Uh uh uh uhUh uh uh uh
Uh uh uh uh uh
We're goin' 'round and around and around, goin' down, down
