

# Five Nights at Freddy's (Instrumental Mix)

## The Living Tombstone

We're waiting every night  
To finally roam and invite  
Newcomers to play with us  
For many years we've been all alone  
We're forced to be still and play  
The same songs we've known since that day  
An imposter took our life away  
Now we're stuck here to decay  
Please let us get in!  
Don't lock us away!  
We're not like what you're thinking  
We're poor little souls  
Who have lost all control  
And we're forced here to take that role  
We've been all alone  
Stuck in our little zone  
Since 1987  
Join us, be our friend  
Or just be stuck and defend  
After all you only got  
Five nights at Freddy's  
Is this where you want to be?  
I just don't get it  
Why do you want to stay?  
Five nights at Freddy's  
We're really quite surprised  
We get to see you another night  
You should have looked for another job  
You should have said to this place good-bye  
It's like there's so much more  
Maybe you've been in this place before  
We remember a face like yours  
You seem acquainted with those doors  
Please let us get in!  
Don't lock us away!  
We're not like what you're thinking  
We're poor little souls  
Who have lost all control  
And we're forced here to take that role  
We've been all alone  
Stuck in our little zone  
Since 1987  
Join us, be our friend  
Or just be stuck and defend  
After all you only got  
Five nights at Freddy's  
Is this where you want to be?  
I just don't get it  
Why do you want to stay?  
Five nights at Freddy's
