

Tattoo

Jordin Sparks

No matter what you say about love I keep coming back for more
Keep my hand in the fire, sooner or later
I get what I'm asking for
No matter what you say about life I learn every time I bleed
The truth is a stranger, soul is in danger
I gotta let my spirit be free to admit that I'm wrong and then change my mind
Sorry but I have to move on and leave you behind I can't waste time so give it a moment, I
realize nothing's broken
No need to worry about everything I've done
Live every second like it was my last one
Don't look back, got a new direction
I loved you once, needed protection
You're still a part of everything I do
You're on my heart just like a tattoo
Just like a tattoo I'll always have you
I'll always have you (I'll always have you)
I sick of playing all of these games
It's not about taking sides When I looked in the mirror didn't deliver
It hurt enough to think that I could stop admit that I'm wrong and then change my mind Sorry
but I've gotta be strong and leave you behind
I can't waste time so give it a moment
I realize nothing's broken
No need to worry about everything I've done
Live every second like it was my last one
Don't look back, got a new direction I loved you once, needed protection
You're still a part of everything I do
You're on my heart just like a tattoo
Just like a tattoo
I'll always have you I'll always have you
If I live every moment
Won't change any moment
Still a part of me in you I will never regret you
Still the memory of you
Marks everything I do
Can't waste time so give it a moment I realize nothing's broken
No need to worry about everything I've done
Live every second like it was my last one
Don't look back, got a new direction I loved you once, needed protection
You're still a part of everything I do
You're on my heart just like a tattoo
Can't waste time so give it a moment
I realized nothing's broken

No need to worry about everything I've done
Live every second like it was my last one
Don't look back, got a new direction
I loved you once and I needed protection
You're still a part of everything I do
You're on my heart just like a tattoo
Just like a tattoo
I'll always have you
