Jordin Sparks

No matter what you say about loveI keep coming back for more

Keep my hand in the fire, sooner or later

I get what I'm asking for

No matter what you say about lifeI learn every time I bleed

The truth is a stranger, soul is in danger

I gotta let my spirit be free to admit that I'm wrong and then change my mind Sorry but I have to move on and leave you behindI can't waste time so give it a moment, I

realize nothing's broken

No need to worry about everything I've done

Live every second like it was my last one

Don't look back, got a new direction

I loved you once, needed protection

You're still a part of everything I do

You're on my heart just like a tattoo

Just like a tattooI'll always have you

I'll always have you (I'll always have you)

I sick of playing all of these games

It's not about taking sidesWhen I looked in the mirror didn't deliver

It hurt enough to think that I could stop admit that I'm wrong and then change my mindSorry

but I've gotta be strong and leave you behind

I can't waste time so give it a moment

I realize nothing's broken

No need to worry about everything I've done

Live every second like it was my last one

Don't look back, got a new directionI loved you once, needed protection

You're still a part of everything I do

You're on my heart just like a tattoo

Just like a tattoo

I'll always have youI'll always have you

If I live every moment

Won't change any moment

Still a part of me in youI will never regret you

Still the memory of you

Marks everything I do

Can't waste time so give it a momentI realize nothing's broken

No need to worry about everything I've done

Live every second like it was my last one

Don't look back, got a new directionI loved you once, needed protection

You're still a part of everything I do

You're on my heart just like a tattoo

Can't waste time so give it a moment

I realized nothing's broken

No need to worry about everything I've done
Live every second like it was my last one
Don't look back, got a new direction
I loved you once and I needed protection
You're still a part of everything I do
You're on my heart just like a tattoo
Just like a tattoo
I'll always have you
