

# I Choose U

## Timeflies

Late nights, New York, trouble on my mind  
Crossed town to the west end, I'm wasting my time  
Down south back roads, dust clouds yeahh  
Backseat of that Chevrolet, but it wasn't there  
Missed the flight out of Heathrow,  
got stuck up in a one room flat  
She's so fit tryna hold me down,  
while I was just trying to get back  
Malibu, beach flow, crushing on these shores  
A smile shining like gold, but that smile wasn't yours  
And I know, I know, I know, I know Everybody needs somebody to love.  
Everybody needs somebody to love  
And I choose you  
And I choose you  
Everybody needs somebody to love.  
Everybody needs somebody to love  
And I choose you  
And I choose you  
And I choose you-u-u-u-u-u-u  
And I choose you Like this:  
High heels, dirty talk, hand cuffs and chains  
Nails down my back, but I never knew her name  
Bright eyes, sun dress, daddy's little girl  
She changed my life, but you changed my world  
And I know, I know, I know, I know Everybody needs somebody to love.  
Everybody needs somebody to love.  
And I choose you  
And I choose you  
Everybody needs somebody to love.  
Everybody needs somebody to love  
And I choose you  
And I choose you  
And I choose you-u-u-u-u-u-u  
And I choose you You're every place that I've been baby,  
you're every face that I've seen;  
You're everywhere and I'm going crazy,  
your body rockin my dreams;  
You're always up in my mind,  
you're everywhere that I go;  
You're everything in this time,  
so girl I'm lettin you know  
That I'm rolling up in a fly whip,

come ride this and just close your eyes  
Showin up with my sidekick, my,  
superhero with a dope disguise  
No wonder woman, all our dreams are coming true  
So don't be scared of losing me,  
because I'm always choosing you. Everybody needs somebody to love  
Everybody needs somebody to love  
And I choose you  
And I choose you  
And I choose you-u-u-u-u-u-u  
Everybody needs somebody to love  
And I choose you  
I need somebody to lo-o-o-ove  
I need somebody to lo-o-o-ove  
I need somebody to lo-o-o-ove  
And if you need somebody to love, then I choose you
