

Crybaby (Iglooghost Remix)

ABRA

Look what you did, killed us, dead
On the plane, in the rain, back from LA
Remember when I, remember what I
How could you do me this way?
Do you remember when we first kissed?
How did it get this far to a place like this?
Oh why are you so cold to me?
Why you acting like we ain't nothing?
No turning back now
Got you sensitive oh well, too bad
Bet I wasted way too many years of my life on that
Yeah yeah
And it looks like rain
Baby take me when you ready
Baby I can get loud
And it looks like rain
And it looks like rain, rain, rain
You're calling me a crybaby
But you're making me cry
Oh yeah, you're calling me a crybaby
But you're making me cry
You're calling me a crybaby
But you're making me cry
Oh yeah, you're calling me a crybaby
I'll show you a crybaby, yeah yeah Always catching myself at night
Only go out when the sun goes down
I got an ocean of emotion inside
I am not Poseidon? lover's island but I ride him in the riptide
So no, no turning back now
I got you sensitive oh well, fuck that
Bet I wasted way too many years of my life
Let me worry 'bout that
Banging on the floor
I go up and down, up and down
Banging on your walls
I go up and down, up and down
Banging on the floor
I go up and down, up and down
Banging on your walls
I go up and down, up and down
Banging on the floor
I go up and down, up and down

Banging on your walls
I go up and down, up and down
Banging on the floor
I go up and down, up and down
Banging on your walls
I go up and down, up and down You're calling me a crybaby
But you're making me cry
Oh yeah, you're calling me a crybaby
But you're making me cry
You're calling me a crybaby
But you're making me cry
Oh yeah, you're calling me a crybaby
I'll show you a crybaby, yeah yeah
