## In Too Deep

## **Sum 41**

The faster we're falling

We're stopping and stalling
We're running in circles againJust as things we're looking up
You said it wasn't good enough
But still we're trying one more timeMaybe we're just trying too hard
When really it's closer than it is too farCause I'm in too deep and I'm trying to keep
Up above in my head instead of going under
Cause I'm in too deep and I'm trying to keep
Up above in my head instead of going under
Instead of going underSeems like each time
I'm with you, I lose my mind
Because I'm bending over backwards to relate
It's one thing to complain
But when you're driving me insane
Well then I think it's time that we took a breakMaybe we're just trying too hard
When really it's closer than it is too far
Cause I'm in too deep and I'm trying to keep

When really it's closer than it is too far
Cause I'm in too deep and I'm trying to keep
Up above in my head instead of going under
Cause I'm in too deep and I'm trying to keep
Up above in my head instead of going under
Instead of going under

Instead of going under Can't sit back and wonder why
It took so long for this to die
And I hate it when you fake it
You can't hide it, you might as well embrace it
So believe me, it's not easy

It seems that something's telling me I'm in too deep and I'm trying to keep Up above in my head instead of going under Cause I'm in too deep and I'm trying to keep

Up above in my head instead of going underInstead of going under

Instead of going under again Instead of going under Instead of going under again Instead of going under again.
