Fell In Love With a Girl

The White Stripes

Fell in love with a girl I fell in love once and almost completely She's in love with the world but sometimes these feelings can be so misleading She turns and says "Are you alright?" I said "I must be fine cause my heart's still beating" "Come and kiss me by the riverside, yeah Bobby says it's fine he don't consider it cheating now" Red hair with a curl Nellow roll for the flavor and the eyes for peeping Can't keep away from the girl these two sides of my brain need to have a meeting can't think of anything to do yeah, my left brain knows that all my love is fleeting she's just looking for something new yeah, said it once beforebut it bears repeating nowCan't think of anything to do my left brain knows that all my love is fleeting she's just looking for something new well, said it once before but it bears repeating nowFell in love with a girl I fell in love once and almost completely she's in love with the world but sometimes these feelings can be so misleading she turns and says "are you alright?"I said "I must be fine because my heart's still beating" "come and kiss me by the riverside, yeah bobby says it's fine he don't consider it cheating now" Can't think of anything to do yeah, my left brain knows that all my love is fleeting she's just looking for something new well, I said it once before but it bears repeating now
