

How Can I Tell You

Cat Stevens

How can I tell you
That I love you, I love you
But I can't think of right words to say
I long to tell you
That I'm always thinking of you
I'm always thinking of you
But my words just blow away
Just blow away
It always ends up to one thing
Honey and I can't think of right words to say
Wherever I am girl
I'm always walking with you
I'm always walking with you
But I look and you're not there
Whoever I'm with
I'm always, always talking to you
I'm always talking to you
And I'm sad that you can't hear
Sad that you can't hear
It always ends up to one thing
Honey, when I look and you're not there
I need to know you
Need to feel my arms around you
Feel my arms around you
Like a sea around a shore
And each night and day I pray
In hope that I might find you
In hope that I might find you
Because heart's can do no more
Do
It always ends up to one thing
Honey, still I kneel upon the floor
How can I tell you that I love you
I love you
But I can't think of right words to say
I long to tell you
That I'm always thinking of you
I'm always thinking of you
It always ends up to one thing
Honey and I can't think of right words to say
