## How Can I Tell You

## **Cat Stevens**

How can I tell you That I love you, I love you But I can't think of right words to say I long to tell you That I'm always thinking of you I'm always thinking of you But my words just blow away Just blow away It always ends up to one thing Honey and I can't think of right words to say Wherever I am girl I'm always walking with you I'm always walking with you But I look and you're not there Whoever I'm with I'm always, always talking to you I'm always talking to you And I'm sad that you can't hear Sad that you can't hear It always ends up to one thing Honey, when I look and you're not there I need to know you Need to feel my arms around you Feel my arms around you Like a sea around a shore And each night and day I pray In hope that I might find you In hope that I might find you Because heart's can do no more Do It always ends up to one thing Honey, still I kneel upon the floor How can I tell you that I love you I love you But I can't think of right words to say
