Southern Sun (DJ Tiësto Mix)

Paul Oakenfold

Piece by piece I release Once was mine Now undoneTurned blue Like New Orleans And went down like A southern sunI still feel you Beneath my skin I am tempted To throw my senses in'Cause it's easier to fly Than to face another night In southern sun And your love is all around Piece by piece I release Once was mine Now undoneTurned blue Like New Orleans And went down like A southern sunI still feel you Beneath my skin I am tempted To throw my senses in'Cause it's easier to fly Than to face another night In southern sun And your love is all around In the air to set me free You last like a song I'm deflated I am pieces on the wind UnrelatedI still feel you Beneath my skin I am tempted To throw my senses in'Cause it's easier to fly Than to face another night In southern sun And your love is all around In the air to set me free'Cause it's easier to fly In the air to set me free Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
