

Crashing (feat. Bahari)

ILLENIUUM

[Verse 1]

Intoxicating, your kiss
Intoxicating, your lips
Nobody does it like this
I find it hard to resist, oh-oo
Feeling out of control, beautifully so
What's coming over me?
It's a total eclipse of rationality[Pre-Chorus]
I don't usually say this
I don't usually play this game
Yeah, I know I'm not faded
But it kinda feels that way
I don't usually say this
But I think I should let you know
That baby, baby I don't, I don't wanna go

[Chorus]

How could I go home when I feel like I belong?
In your arms, it's like Champagne
Feel it pouring in my veins
Yeah, I got myself too drunk on you to drive
So I'm crashing here tonight
(Ooh-oo)
Tonight
(Ooh-oo)
Tonight (Ooh-oo)

Oh-oh, so I'm crashing here tonight[Verse 2]

Hey, are you really this good?
Damn, are you really this good?
Baby, you're just like a drug
I'd bottle you up if I could, oh-oo
Feeling out of control with your chemicals
What's coming over me?
It's a total eclipse of rationality
[Pre-Chorus]
I don't usually say this
I don't usually play this game
Yeah, I know I'm not faded
But it kinda feels that way
I don't usually say this
But I think I should let you know
That baby, baby I don't, I don't wanna go[Chorus]
How could I go home when I feel like I belong?

In your arms, it's like Champagne
Feel it pouring in my veins
Yeah, I got myself too drunk on you to drive
So I'm crashing here tonight
(Ooh-ooh)
Tonight
(Ooh-ooh)
Tonight (Ooh-ooh)
Oh-oh, so I'm crashing here tonight[Bridge]
How could I go home
When you're all I wanna know?
Come on, let me see your bed
It's too late for this to end
Yeah, I got myself too drunk on you to drive
So I'm crashing here tonight[Chorus]
How could I go home when I feel like I belong?
In your arms, it's like Champagne
Feel it pouring in my veins
Yeah, I got myself too drunk on you to drive
So I'm crashing here tonight
(Ooh-ooh)
Tonight
(Ooh-ooh)
Yeah I'm crashing here tonight
(Ooh-ooh)
Oh-oh, so I'm crashing here tonight
