

# Best of Me

## Sum 41

It's so hard to say that I'm sorry  
I'll make everything alright  
All these things that I've done  
Now what have I become and where'd I go wrong?  
I don't mean to hurt, just to put you first  
I won't tell you lies  
(I'm sorry)  
I will stand accused with my hand on my heart  
I'm just trying to say  
I'm sorry, it's all that I can say  
You mean so much  
And I'll fix all that I've done if I could start again  
I'll throw it all away to the shadows of regrets  
And you would have the best of me  
I know that I can't take  
Back all of the mistakes but I will try  
Although it's not easy  
I know you believe me 'cause I would not lie  
Don't believe their lies told from jealous eyes  
They don't understand  
(I'm sorry)  
I will break your heart, I will bring you down  
But I will have to say  
I'm sorry, it's all that I can say  
You mean so much  
And I'll fix all that I've done if I could start again  
I'll throw it all away to the shadows of regrets  
And you would have the best of me  
I'm sorry, it's all that I can say  
You mean so much  
And I'd fix all that I've done if I could start again  
I'll throw it all away to the shadows of regrets  
And you would have the best of me
