

# Tough

Lewis Capaldi

[Verse 1]

Every little part of me is holding onto every little piece you  
It's holding on to every drop of blood you drew  
It's holding onto you  
And every waking hour I spend  
Holding on for reasons not to go to bed  
I'm holding on for someone else to hold instead  
If every hope of you is dead[Pre-Chorus]  
'Cause every night since you cut and run  
I feel like the only one who's ever been the lonely one  
Trying to mend a heart that keeps breaking  
With every step that you're taking

[Chorus]

'Cause you've been running circles 'round  
My mind, turning me inside out  
And I fell for you but hit the ground  
'Cause the only love I've known has let me  
Down and I need lifting up  
Now you ain't here I'm sleeping rough  
And I pray but I can't pray enough  
'Cause waking up without you, it's so tough[Verse 2]

I'd finally like to find my feet  
When I keep on stumbling over you and me  
But I keep on trying 'cause I know I need  
To outrun the memories[Pre-Chorus]  
And every day I'm reminded of the way I let it come undone  
I feel like the lonely one, the only one with time worth wasting  
Well, I still can't stop chasing

[Chorus]

'Cause you've been running circles 'round  
My mind, turning me inside out  
And I fell for you but hit the ground  
'Cause the only love I've known has let me  
Down and I need lifting up  
Now you ain't here I'm sleeping rough  
And I pray but I can't pray enough  
'Cause waking up without you, it's so tough, oh

Tough, oh, tough

Waking up without you[Bridge]

Stay out

Thought I was talking to you

Stay out

I guess I'm talking to myself  
Me and nobody else[Chorus]  
'Cause you've been running circles 'round  
My mind, turning me inside out  
And I fell for you but hit the ground  
'Cause the only love I've known has let me  
Down and I need lifting up  
Now you ain't here I'm sleeping rough  
And I pray but I can't pray enough  
'Cause waking up without you, it's so tough
