

Spirit of the Season

Alan Silvestri

Fa la la la la la,
Santa calls.
Fa la la la la la,
Deck the halls. Fa la la la la la,
Shop the malls.
Fa la la la, Come on catch the spirit of the season.
Nothin' can match the spirit of the season.
Can you hear it, the spirit of the season?
Clap!
Santa is set, the sleigh is almost ready.
And you can bet, he'll take it slow and steady.
Don't forget, you should be in bed already.
Clap! Fa la la la la la,
Santa calls.
Fa la la la la la,
Deck the halls. Fa la la la la la,
Shop the malls.
Fa la la la, Can you feel it? We can feel it?
Feel the spirit? Feel the spirit?
Can you hear it? We can hear it!
We hear the spirit, We hear the spirit,
of the season! of the season!
Come on catch the spirit of the season.
Nothin' can match the spirit of the season.
Can you hear it, the spirit of the season?
Clap! Come on and catch the spirit right now! Catch The Spirit!
