

Still Alive

ARIZONA

On a lonely flight
You say, "Sooner or later, you're bound to catch one"
But I was born in fire Oh, I'll be ready, ready, ready when it comes Oh, oh, I've been kicked
around
I've been in the dust, mmm
Oh, oh, I ain't going nowhere
Trust All the pain and the pills
And the shame should have killed me
But I just won't die
Oh-oh-oh, baby, I'm still alive
Oh-oh-oh, baby, I'm still alive
Well, I've been down in the dirt
Broke my heart couple times
And yeah, I cried, cried, cried
Oh-oh-oh, baby, I'm still alive
Oh-oh-oh, baby, I'm still alive
I'm still alive
Oh-oh
Oh-oh
I'm still alive We just one
Snuggling, snuggling, snuggling in the night
And I don't know how
But I know I, know I, know I will survive Oh, oh, I've been kicked around
I've been in the dust, mmm
Oh, oh, I ain't going nowhere
Baby, trust
All the pain and the pills
And the shame should have killed me
But I just won't die
Oh-oh-oh, baby, I'm still alive
Oh-oh-oh, baby, I'm still alive
Well, I've been down in the dirt
Broke my heart couple times
And yeah, I cried, cried, cried
Oh-oh-oh, baby, I'm still alive
Oh-oh-oh, baby, I'm still alive
I'm still alive Oh-oh
Oh-oh-oh
Oh-oh, I'm still alive All the pain and the pills
And the shame should have killed me
But I just won't die
Oh-oh, baby, I'm still alive

Oh-oh-oh, baby, I'm still alive
Well, I've been down in the dirt
Broke my heart couple times
And yeah, I cried, cried, cried
Oh, but baby, I'm still alive
Oh-oh, baby, I'm still alive
Oh, I'm still alive
