

# Burn

## Usher

I don't understand why  
See it's burning me to hold onto this  
I know this is something I gotta do  
But that don't mean I want to  
What I'm trying to say is that I-love-you I just  
I feel like this is coming to an end  
And its better for me to  
Let it go now than hold on and hurt you  
I gotta let it burn  
It's gonna burn for me to say this  
But it's comin from my heart  
It's been a long time comingBut we done been fell apart  
Really wanna work this out  
But I don't think you're gonna change  
I do but you don't  
Think it's best we go our separate ways  
Tell me why I should stay in this relationship  
When I'm hurting baby, I ain't happy baby  
Plus there's so many other things I gotta deal with  
I think that you should let it burnWhen the feeling ain't the same and your body don't want to  
But you know gotta let it go cuz the party ain't jumpin' like it used to  
Even though this might bruise youLet it burn  
Let it burn...  
Gotta let it burn  
Deep down you know it's best for yourself but you  
Hate the thought of her being with someone else  
But you know that it's over  
We knew it been through  
Let it burn  
Let it burnGotta let it burn  
Sendin' pages I ain't supposed to  
Got somebody here but I want you  
Cause the feelin ain't the same find myself  
Callin' her your name  
Ladies tell me do you understand?  
Now all my fellas do you feel my pain?  
It's the way I feel  
I know I made a mistake  
Now it's too late  
I know she ain't comin back  
What I gotta do now  
To get my shorty back

Ooo ooo ooo oooooh  
Man I don't know what I'm gonna do  
Without my booo  
You've been gone for too long  
It's been fifty-leven days, um-teen hoursImma be burnin' till you return (let it burn)  
When the feeling ain't the same and your body don't want to  
But you know gotta let it go cuz the party ain't jumpin' like it used to  
Even though this might bruise you  
Let it burn  
Let it burn...  
Gotta let it burnDeep down you know it's best for yourself but you  
Hate the thought of her being with someone else  
But you know that it's over  
We knew it been through  
Let it burn  
Let it burn...  
Gotta let it burnI'm twisted cuz one side of me is tellin' me  
that I need to move on  
On the other side I wanna break down  
and cry (ooooh)  
I'm twisted cuz one side of me is tellin' me  
that I need to move on  
On the other side I wanna break down and cry (yeah)Ooh ooh ooh ooh ooh ooh  
Ooh ooh ooh (can ya feel me burnin'?)  
Ooh ooh ooh ooh ooh oohOoh ooh ooh (can ya feel me burnin'?)  
Ooh ooh ooh ooh ooh oohOoh ooh ooh (can ya feel me burnin'?)  
Ooh ooh ooh ooh ooh  
So many days, so many hours  
I'm still burnin' till you return  
When the feeling ain't the same and your body don't want to  
But you know gotta let it go cuz the party ain't jumpin' like it used to  
Even though this might bruise you  
Let it burn  
Let it burn...  
Gotta let it burn  
Deep down you know it's best for yourself but you  
Hate the thought of her being with someone else  
But you know that it's over  
We knew it been through  
Let it burn  
Let it burn  
Gotta let it burn
