

# Crave

## Pharrell Williams

Craaaave, yeah  
Come on, hah  
Move like that  
Look at here, can you move like that?  
Huh, move like that  
Look at here, can you move like that? It keeps me up (crave)  
Anxiety (crave)  
And then I'm yearnin' from ya  
Machine gun, brrrrmp-a-ding-ding  
I keep rollin' over (crave)  
I can't get no sleep (crave)  
My love is pourin', yeah from ya  
Machine gun, brrrrmp-a-ding-ding  
Bang bang, feel the pain  
Everybody, feel the pain  
Bang bang, feel the pain  
Everybody, feel the pain So help me (cravin')  
I'm on the sidewalk (you got me cravin')  
I'm fallin' over (you got me cravin')  
Rockin' back and forth (you got me holdin' my hand)  
So help me (cravin')  
I'm on the sidewalk (you got me cravin')  
I'm fallin' over (you got me cravin')  
Rockin' back and forth (so I'm here waitin')  
For you, girl  
(Let's party!)  
Take what you want (crave)  
Take what you need (crave)  
Move me around, baby  
With your machine gun, brrrrmp-a-ding-ding  
And I'm so gone  
Girl now you're free  
You shoot me down baby, from your...  
Machine gun, brrrrmp-a-ding-ding Bang bang, feel the pain  
(Oh you got me)  
Everybody, feel the pain  
(In a heartbeat)  
Bang bang, feel the pain  
(I give up)  
Everybody, feel the pain So help me (cravin')  
I'm on the sidewalk (you got me cravin')  
I'm fallin' over (you got me cravin')

Rockin' back and forth (you got me holdin' my hand)  
So help me (cravin')  
I'm on the sidewalk (you got me cravin')  
I'm fallin' over (you got me cravin')  
Rockin' back and forth (so I'm here waitin')  
For you, girl Help me, ah  
Help me, ah  
Help me, ah  
Help me, ah  
You know, uh...  
Feels good right? (Here we go!)  
Girls in the front, ah, can you feel the crave?  
Oh, can you feel that crave?  
Girls in the back, ah, can you feel the crave?  
Oh, can you feel that crave?  
Girls on the left, ah, can you feel the crave?  
Oh, can you feel that crave?  
Girls on the right, ah, can you feel the crave?  
Can somebody help me? So help me (cravin')  
I'm on the sidewalk (you got me cravin')  
I'm fallin' over (you got me cravin')  
Rockin' back and forth (you got me holdin' my hand)  
So help me (cravin')  
I'm on the sidewalk (you got me cravin')  
I'm fallin' over (you got me cravin')  
Rockin' back and forth (so I'm here waitin')  
For you, girl Help me, ah  
Help me, ah  
Help me, ah
