

# Murderer of Blue Skies

Chris Cornell

You flew in on the wind  
Was a day that I won't forget  
Told me to let you in  
And that I would not regret it  
But you had a touch as cold as rain  
And all at once the weather changed  
Murderer of blue skies  
And I can't wait  
To never be with you again  
I can't wait  
To lead a life that you're not in  
And I won't break  
Though I may bend  
From time to time  
I can't wait to never be with you again  
Now the truth will set you free  
But all you had was lying in you  
So you built a cage for me  
All the while pretending to be  
A living saint with a thorny crown  
And me condemned to be your clown  
I applaud you as you take a bow  
And I can't wait  
To never be with you again  
And I can't wait  
To lead a life that you're not in  
And I won't break  
Though I may bend  
From time to time  
I can't wait to never be with you  
Always thought that I'd pride myself on patience  
But it's wearing thin  
Never thought that falling for you only meant  
Falling down  
Falling down  
Falling down  
I can't wait  
To never be with you again  
And I can't wait  
To lead a life that you're not in  
And I won't break  
Though I may bend

I can't wait  
To never be with you again  
I can't wait  
To lead a life that you're not in  
And I won't break  
Though I may bend  
From time to time  
I can't wait to never be with you again  
I can't wait to never be with you again
