Girls

Santigold

Run around, around, around the block Run around, around and bring, bring Run around, around, around the block Run around, around and bring, bring Run around, around, around the blockMeet me on the phone, come get me on the way Got you down town since some people in my way If you got no boys, might be your lucky day Girls, girls, girls, girls Who be the queen of the ball I roll true, let it shot all of yall I know shit like a fly on the wall So legit, I dont quit when I fall I be there first that where that action is Dont matter who or what, say where is it and when it is Right now Im slippin for my waitin this is how I live In any instance, we are young, we get away with it In any instance, we are young, we get away with it We are girls, girls, girls, girls, girls, We are girls, girls, girls, girls, girls Here we are, all tryina make it as me Got no cash, got no money but Im runnin the street I can call my shots, telling what its what Can I be Im fucked up Got charm that counts but I aint easy If you aint reckless then you aint with me In the meantime keep your illusion short Where I sit you play dumb its a sport Im the rack competition to my enemies Im the trouble army, on my way to see you Im the best who can make a mess of something sweet Im a fighter so I know that I wont retreat Im a stunner if you wanna put this encore And they cast me out, on the radio Im a winner though I am not afraid of defeat Ima just make up an armyfeet Girls, girls, girls, girls Girls, girls, girls, girls Run around, around, around the block Run around, around and bring, bring Run around, around, around the block Run around, around and bring, bring

Run around, around, around the block

Girls, girls.
