

It Was Always You

Maroon 5

Woke up sweating from a dream
With a different kind of feeling
All day long my heart was beating
Searching for the meaning Hazel eyes,
I was so color blind
We were just wasting time
For my whole life
We never crossed the line
Only friends in my mind
But now I realize,
It was always you
Can't believe I could not see it all this time, all this time
It was always you
Now I know why my heart wasn't satisfied, satisfied
It was always you, you
No more guessing who
Looking back now I know it was always you, always you All my hidden desires
Finally came alive
No, I never told lies
To you so why would I
Start tonight Hazel eyes,
I was so color blind
We were just wasting time
For my whole life
We never crossed the line
Only friends in my mind
But now I realize,
It was always you
Can't believe I could not see it all this time, all this time
It was always you
Now I know why my heart wasn't satisfied, satisfied
It was always you, you
No more guessing who
Looking back now I know it was always you, always you (Aah, yeah, you, you, you, always
you, you, you) Woke up sweating from a dream
With a different kind of feeling It was always you
Can't believe I could not see it all this time, all this time
It was always you
Now I know why my heart wasn't satisfied, satisfied
It was always you, you
No more guessing who

Looking back now I know it was always you, always youIt was always you
