It Was Always You

Maroon 5

Woke up sweating from a dream
With a different kind of feeling
All day long my heart was beating
Searching for the meaningHazel eyes,

I was so color blind

We were just wasting time

For my whole life

We never crossed the line

Only friends in my mind

But now I realize,

It was always you

Can't believe I could not see it all this time, all this time

It was always you

Now I know why my heart wasn't satisfied, satisfied

It was always you, you

No more guessing who

Looking back now I know it was always you, always youAll my hidden desires

Finally came alive

No, I never told lies

To you so why would I

Start tonightHazel eyes,

I was so color blind

We were just wasting time

For my whole life

We never crossed the line

Only friends in my mind

But now I realize,

It was always you

Can't believe I could not see it all this time, all this time

It was always you

Now I know why my heart wasn't satisfied, satisfied

It was always you, you

No more guessing who

Looking back now I know it was always you, always you(Aah, yeah, you, you, you, always

you, you, you) Woke up sweating from a dream

With a different kind of feelingIt was always you

Can't believe I could not see it all this time, all this time

It was always you

Now I know why my heart wasn't satisfied, satisfied

It was always you, you

No more guessing who

Looking back now I know it was always you, always youIt was always you
