Vanilla Twilight

Owl City

The stars lean down to kiss you And I lie awake and miss you Pour me a heavy dose of atmosphere 'Cause I'll doze off safe and soundly But I'll miss your arms around me I'd send a postcard to you, dear 'Cause I wish you were hereI'll watch the night turn light blue But it's not the same without you Because it takes two to whisper quietly The silence isn't so bad 'Till I look at my hands and feel sad 'Cause the spaces between my fingers Are right where yours fit perfectly I'll find repose in new ways Though I haven't slept in two days 'Cause cold nostalgia chills me to the bone But drenched in vanilla twilight I'll sit on the front porch all night Waist deep in thought because when I think of you I don't feel so alone I don't feel so alone I don't feel so aloneAs many times as I blink I'll think of you tonight (Tonight, tonight, tonight...)I'll think of you tonight When violet eyes get brighter And heavy wings grow lighter I'll taste the sky and feel alive again And I'll forget the world that I knew But I swear I won't forget you Oh if my voice could reach back through the past I'd whisper in your ear: "Oh darling, I wish you were here"
