

You Need Me, I Don't Need You

Ed Sheeran

Now I'm in town, break it down, thinking of making a new sound
Playing a different show every night in front of a new crowd
That's you now, ciao, seems that life is great now
See me lose focus, as I sing to you loud And I can't, no, I won't hush
I say the words that make you blush
I'm gonna sing this now See, I'm true, my songs are where my heart is
I'm like glue, I stick to other artists
I'm not you, now that would be disastrous
Let me sing and do my thing and move to greener pastures See, I'm real, I do it all, it's all me
I'm not fake, don't ever call me lazy
I won't stay put, give me the chance to be free
Suffolk sadly seems to sort of suffocate me
'Cause you need me, man, I don't need you
You need me, man, I don't need you
You need me, man, I don't need you at all
You need me, man, I don't need you You need me, man, I don't need you
You need me, man, I don't need you
You need me, man, I don't need you at all
You need me I sing and write my own tune and I write my own verse
Hell, don't need another word-smith to make my tune sell
Call yourself a singer-writer, you're just bluffing
Name's on the credits and you didn't write nothing I sing fast, I know that all my shit's cool
I will blast and I didn't go to Brit School
I came fast with the way I act, right
I can't last if I'm smoking on a crack pipe
And I won't be a product of my genre
My mind will always be stronger than my songs are
Never believe the bullshit that fake guys feed to ya
Always read the stories that you hear on Wikipedia And musically I'm demonstrating
When I perform live, feels like I am meditating
Times at the Enterprise when some fella filmed me
'Young singer-writer like Gabriella Cilmi' 'Cause you need me, man, I don't need you
You need me, man, I don't need you
You need me, man, I don't need you at all
You need me, man, I don't need you You need me, man, I don't need you
You need me, man, I don't need you
You need me, man, I don't need you at all
You need me 'Cause with the lyrics I'll be aiming it right
I won't stop till my name's in lights
At stadium heights with Damien Rice
On red carpets, now I'm on Arabian Nights
Because I'm young I know my brother's gonna give me advice Long nighter, short height and I

going hyper
Never be anything but a singer-songwriter, yeah
The game's over but now I'm on a new level
Watch how I step on the track without a loop pedal
People think that I'm bound to blow up
I've done around about a thousand shows
But I haven't got a house plus I live on a couch
So you believe the lyrics when I'm singing them out
From day one, I've been prepared
With vo5 wax for my ginger hair
So now I'm back to the sofa, giving a dose of what the future holds
'Cause it's another day
Plus I'll keep my last name forever, keep this genre pretty basic
Gonna be breaking into other people's tunes when I chase it
And replace it with the elephant in the room with a facelift
Into another rapper's shoes using new laces
I'm selling CDs from my rucksack aiming for the
papers
Selling CDs from my rucksack aiming for majors
Nationwide tour with Just Jack, still had to get the bus back
Clean cut kid without a razor for the mustache
I hit back when the pen hurts me
I'm still a choir boy in a Fenchurch tee
I'm still the same as a year ago
But more people hear me though
According to the MySpace and YouTube videos
I'm always doing shows, if I'm not, I'm in the
studio
Truly broke, never growing up, call me Rufio
Melody music maker
Reading all the papers
They say I'm up-and-coming like I'm fucking in an elevator
'Cause you need me, man, I don't
need you
You need me, man, I don't need you
You need me, man, I don't need you at all
You need me, man, I don't need you
You need me, man, I don't need you
You need me, man, I don't need you at all
You need me, man, I don't need you at all
You need me, man, I don't need you
