Naturally

Selena Gomez & The Scene

How you choose to express yourself?

It's all your own, and I can tell

It comes naturally, it comes naturallyYou follow what you feel inside
It's intuitive, you don't have to try

It comes naturally, hmm, it comes naturally And it takes my breath away What you do so naturally You are the thunder and I am the lightning

And I love the way you know

Who you are and to me it's exciting

When you know it's meant to be

Everything comes naturally, it comes naturally

When you're with me, baby

Everything comes naturally, it comes naturally

Bay, bay, babyYou have a way of moving me

A force of nature, your energy

It comes naturally (you know it does)

It comes naturally

Hmm, yeahAnd it takes my breath away (everytime)

What you do, so naturally You are the thunder and I am the lightning

And I love the way you know who you are

And to me it's exciting

When you know it's meant to be

Everything comes naturally, it comes naturally

When you're with me, babyEverything comes naturally, it comes naturally

Bay, bay, baby

When we collide, sparks fly

When you look in my eyes, it takes my breath away(You are!)

You are the thunder and I am the lightning

And I love the way you know who you are

And to me it's exciting

When you know it's meant to be

Everything comes naturally, it comes naturally

When you're with me, baby

Everything comes naturally, it comes naturally

Bay, bay, baby

Naturally, naturally, naturally

Everything, baby, comes naturally

Naturally, naturally, naturally

Bay, bay, baby
