

Casey Jones

Grateful Dead

Driving that train
High on cocaine
Casey Jones you better watch your speed
Trouble ahead, trouble behind
And you know that notion just crossed my mind. This old engine makes it on time
Leaves Central Station 'bout a quarter to nine
Hits River Junction at seventeen to
At a quarter to ten you know it's travlin' again. Driving that train
High on cocaine
Casey Jones you better watch your speed
Trouble ahead, trouble behind
And you know that notion just crossed my mind
Trouble ahead, oh, Lady in red,
Take my advice you'd be better off dead.
Switchman's sleeping, train hundred and two is
On the wrong track and headed for you. Driving that train
High on cocaine,
Casey Jones you better watch your speed.
Trouble ahead, trouble behind,
And you know that notion just crossed my mind. Drive your train! Trouble with you is the
trouble with me
Got two good eyes but you still don't see
Come round the bend, you know it's the end
The fireman screams and the engine just gleams
Driving that train
High on cocaine
Casey Jones you better watch your speed
Trouble ahead, trouble behind
And you know that notion just crossed my mind. Driving that train
High on cocaine
Casey Jones you better watch your speed
Trouble ahead, trouble behind
And you know that notion just crossed my mind. Driving that train
High on cocaine
Casey Jones you better watch your speed
Trouble ahead, trouble behind
And you know that notion just crossed my mind. Driving that train
High on cocaine
Casey Jones you better watch your speed
Trouble ahead, trouble behind
And you know that notion just crossed my mind. And you know that notion just crossed my mind
