

# Best Shot

Jimmie Allen

I'm just flesh and bone,  
Heart and soul, and I've earned a couple scars.  
I've let once in a lifetime kinda things,  
slide right outta my arms.  
I struck out, I've been knocked down,  
More times than I can count.  
But that dont matter now  
Cause when you smile I see the sun sink down  
On a coast out in California.  
And there's no doubt because of you,  
I'm not the man I was before ya.  
I'm not saying that I'm perfect,  
Cause girl you know im not.  
But I love you, with everything I got.  
Girl I'll give you my best shot.  
You saw a spark inside of me,  
that no one else could find.  
Your "good morning" eyes, they get me high.  
Girl you're always on my mind.Cause when smile I see the sun sink down  
On a coast out in California.  
And there's no doubt because of you,  
I'm not the man I was before ya.  
I'm not saying that im perfect oh,  
Cause girl you know I'm not.  
But I love you, with everything I got.  
Girl I'll give you my best shot.When I saw you for the first time I knew I'd found  
Amazing grace.  
It's like angels singing everytime  
I hear your name.  
Cause when smile I see the sun sink down  
On a coast out in California  
And there's no doubt because of you,  
I'm not the man I was before ya.Cause when smile I see the sun sink down  
On a coast out in California.  
And there's no doubt because of you,  
I'm better than I was before ya.  
I'm not saying that im perfect oh,  
God know I'm not.  
But I love you, with everything I got.  
Girl I'll give you my best shot.I'm gonna give you,  
I'll give you my best shot.  
I'm gonna give, I'm gonna give you, yeah
