Juice (feat. Maleek Berry)

Ycee

I dont wanna wait for nobody I just wan dance with you mammy I put my hands on your body Don't be scared don't you worry I don't wanna wait for nobody I just wan dance with you mammy I put my hands on your body Don't be shy don't you worryToo much juice, too much sauce Too much sauce, too much juice Mama i wan non other me wan no bring no wahala other girls they don't even matter cus na you come through you no there is nobody badder number one lover omo tio ko, tio kana, you... you, me. me shine like say na Rihanna, baby girl come pose Other girls online wey dey halla now she dey unglue but i dey turn dem down cus na you girl wey i wan show baby give me chance, baby give me chance, baby come close oya baby come close this your way, liking this your way this your way, no bi play oya wa ba mi gbe girl this your way, liking this your way this your way, no bi play oya wa ba mi gbe girl I dont wanna wait for nobody I just wan dance with you mammy I put my hands on your body Don't be scared don't you worry I don't wanna wait for nobody I just wan dance with you mammy I put my hands on your body Don't be shy don't you worryToo much juice, too much sauce Too much sauce, too much juiceShe know say i go the juice berry berry got the juice naana i don't wanna trouble you i just want to know can i halla Only girl in the room Baby you're the one that i do girl body like cocacola

Sare wa girl make i hold yaa

i know say baby i just met you
but i promise to love you
if you let me enter
me and you, me and you
too much sauce, too much juice
dancing under the moon baby, baby yeahI dont wanna wait for nobody
I just wan dance with you mammy
I put my hands on your body
Don't be scared don't you worry
I don't wanna wait for nobody
I just wan dance with you mammy
I put my hands on your body
Don't be shy don't you worryToo much juice, too much sauce
Too much sauce, too much juice
