## **Soothe My Soul**

## **Depeche Mode**

I'm coming for you When the sun goes down

I'm coming for you

When there's no one aroundI come to your house

Break down the door

Girl, I'm shaking

I need moreThere's only one way to soothe my soul (there's only one way to soothe my soul)

There's only one way to soothe my soul (only one way to soothe my soul)

Only one way (only one way)

I'm coming for you

I need to feel your skin

I'm coming for you

To stop this crawling I'm taking my place

By your side

I'm not leaving

Until I'm satisfiedThere's only one way to soothe my soul (there's only one way to soothe my soul)

There's only one way to soothe my soul (there's only one way to soothe my soul)

There's only one way (only one way)

Only one way (only one way)

Only one way (only one way)

Only one way (only one way)I'm coming for you

My body's hungry

I'm coming for you

Like a junkie

I can't stop

Desire in me

I'm not waiting

PatientlyThere's only one way to soothe my soul (only one way to soothe my soul)

There's only one way to soothe my soul (only one way to soothe my soul)

There's only one way to soothe my soul (there's only one way to soothe my soul)

Only one way to soothe my soul (only one way to soothe my soul)

There's only one way (only one way)

There's only one way to soothe my soul (only one way to soothe my soul)

Only one way (only one way)

Only one way
