

# Why Go

## Pearl Jam

She scratches a letter, into a wall made of stone  
Maybe someday another child, won't feel as alone as she does...  
It's been two years and counting  
Since they put her in this place  
She's been diagnosed, by some stupid fuck  
And mommy agrees, yeah  
Why go home, why go home, why go home?  
She seems to be stronger  
But what they want her to be... is weak  
She could play pretend, she could join the game, boy  
She could be another clone  
Oh, uh, ah yeah Why go home, why go home, why go home, why go home? What you taught me  
(Why go home?)  
Put me here (Why go home?)  
Don't come visit (Why go home?)  
Mother, sing it  
(...)  
Why go home, why go home, why go home, why go home?  
What you taught me (Why go home?)  
Put me here (Why go home?)  
Don't come visit (Why go home?)  
Mother, Mother, yeah  
Why go home, why go home, why go home, why go home?
