

Erase (feat. Priyanka Chopra)

The Chainsmokers

Another week ends since you've been gone
It doesn't feel like it's been that long
But I guess it gets better everyday
Yeah, Yeah My head is heavy my mind is numb
I found myself in a stranger's arms cause
I just want to make it fade away
Yeah, Yeah My heart is a broken machine
Need you to come set me free
Keep on playing the music baby
Keep on playing the music baby
Erase, Erase, Erase
Erase (Take it all away), Erase
Erase, Erase, Erase I see you calling, I don't respond
And now I feel like I'm right where I belong
And I am ready for a change
Yeah, Yeah What doesn't kill me will make me strong
Just turn it up, nothing's wrong cause
I can just keep dancing through the pain
Yeah, Yeah My heart has been cold as nights
I feel it come back to life
Keep on playing the music baby
It's all that's getting me through this baby (Erase)
I wanna dance till I can't feel nothing at all
I wanna dance till I can't feel nothing Erase, Erase, Erase, Erase (Take it all away)
I wanna dance till I can't feel nothing at all
I wanna dance till I can't feel nothing (Yeah!)
