So I just wan' relax
Roll up a spliff and send it straight to my head, yeah
Smoke mi marijuana until my eyes turn red, yeah
And try to catch a vibe
Sweet, sweet vibe
So please don't you kill my high
Kill my high I got a joint, you got a lighter, let's roll one (Yeah)
And we ain't smoking no half, we want the whole one (Uh)
You ain't always gotta pay, I'll let you hold one
Some people say you shouldn't cough, but that's no fun (None)
Hit it, it taste terrific

Some people get into game just to get 'em richer
