

Lego

Lady Leshurr

When they see me coming, they know that I lego.
I'm on another level, I'm a freaking rebel.
So turn up the bass and don't forget to raise the treble,
And I'mma keep on banging this until your face is yellow.
Hello, did you get the memo?
Sucking all these artists from the scene, armadillo.
Keep the beat the beat down, queue the instrumental.
They saying I am out of this world, you you U-F-O
F-O, O-F, N-O, Oh yes!
I can see these people are cross with me cause I'm so blessed.
Always working no rest and I'm very focused.
Don't know if you noticed but I'm a head; no neck
Everybody wanna be on top of the game
And it doesn't really matter when I'm in the fame.
Everybody that wanna bother me swapping my aims,
I know what time it is, watch in my face
Hopscotch in the game, got stopped in my way.
Better take note, cause I'm gonna change.
Lego, lego.
If you really wanna come in on another level lego. If you want it then lego
You got money then lego
Go go lego, then you're in lego-land
If you want it then, lego
You got money then lego
Go go lego, then you're in lego-land
Lego, lego, lego, lego
When they see me coming, they know that I'm lego-ing
They say I'm a heroine; flyer than the javelin;
I have got adrenaline; I am sickly medicine.
These other girls are trash, let me go get a bin.
Business I'm settling. Got so many bars that my lyrics need sentencing.
Give the beat a funeral, rest in peace, bury it.
Brah! down everything, kah! Down everything.
Rah! I'm a monster, Rah! I'm an elephant
Rah! I'm a zombie, Rah! I'm an alien
And I'mma lego and do the un-doable,
Do the unthinkable, do the unusual. Everybody wanna get up out for the beat.
But they already know that it is out of their reach.
And I'm gonna blow, I take 'em out of their seats.
Keep stubbing their toes, I take 'em out of their feet.
Out with the queen, out with the peace,
And never them clap to the sound of the beat.

Lego, lego.
If you really wanna come in on another level, lego.
