

# Not Giving Up On Love (Extended Version)

Armin van Buuren & Sophie Ellis-Bextor

I know your feeling restless  
Like life's not on your side  
It's weighing heavy on your mind But when we stand united  
Our hearts they beat in time  
And I know we'll make it all alright Let's bring it back to you and me  
There's no-one else around  
Now don't get lost in gravity  
'Cause I want you to Hold me now, nothing else matters  
It's just the two of us  
And if it all falls down nothing else matters  
You know we're strong enough  
I'm not giving up  
I'm not giving up on us  
I said I'm not giving up  
I'm not giving up on love 'Cause I feel it inside  
Taking over tonight  
I'll be there when the storm is breaking In this moment I'm yours  
You can always be sure  
That together we're gonna make it, so, baby, won't you Hold me now, nothing else matters  
It's just the two of us  
And if it all falls down nothing else matters  
You know we're strong enough I'm not giving up  
I'm not giving up on us  
I said I'm not giving up  
I'm not giving up on love  
Hold me now, nothing else matters  
It's just the two of us  
And if it all falls down nothing else matters  
You know we're strong enough I'm not giving up  
I'm not giving up on us  
I said I'm not giving up  
I'm not giving up on love
