

Summertime (feat. San Holo)

Yellow Claw

[Verse 1]

I don't know why, but this feels like summertime
Out late at night, with you standing by my side
Maybe it's the lights or the walk that your skin on mine
I don't know why, but this feels like summertime[Pre-Chorus]
When I catch you alone, just you and me
Make you my own, you're all I need
I'm here alone, just here for you
Make you my own, if you wanted to[Chorus]
We can go to my place. Turn off all lights
No need for phone calls
Yeah, we can kill time
You know what you want, I know what I need
You want a good time
Girl, you can trust me
