## Amanda Palmer

We watch you your expert double X's  
It's just like you to paint those whiter fences It's so polite, it's so polite  
It's offensive, it's offensive  
It's so unright, it's so unright  
It's a technical, accept it But who needs love when there's law and order  
And who needs love when there's Southern Comfort  
And who needs love at all We stalk you your expert double X's  
We oxidize you in your sleep  
There's no exit, there's no exit  
You're on a roll, you're on a roll  
No one gets it, no one gets it  
Your honor, no, your honor  
Can't you protect us, protect us But who needs love when there's law and order  
And who needs love when there's Southern Comfort  
And who needs love  
When the sandwiches are wicked  
And they know you at the Mac store Uh uh uh uh oh oh oh oh oh uh oh  
I'm so excited  
Uh uh uh uh oh oh oh oh oh uh oh  
The blacks and beat kids  
Uh uh uh uh oh oh oh oh oh uh oh  
I'm getting frightened  
Uh uh uh uh uh uh uh uh  
Someday, someday, Leeds United  
Bugsy Malone came to carry you home  
And they're taking you all to the doctor  
Burberry vices, all sugary spices  
It's nice but it's not what I'm after  
Sure, I admire you  
Sure, you inspire me, but you've been not getting back so  
I'll wait at the Sainbury's  
Countin' my change making bank on the upcoming roster And we'll stop you your expert double  
X's  
Oh yeah, a big stock holder extra cold with two X's  
That never talking thing you do  
Is effective, it's effective  
Your shoulder's icy colder, oh  
Than a death wish, than a death wish But who needs love when there's law and order  
And who needs love when there's Dukes of Hazard  
And who needs love  
When the sandwiches are wicked  
And they know you at the Mac store Uh uh uh uh oh oh oh oh oh uh oh

I'm so excited  
Uh uh uh oh oh oh oh uh oh  
The blacks and beat kids  
Uh uh uh oh oh oh oh uh oh  
They're so excited  
Uh uh uh oh oh oh oh uh oh  
When I think about Leeds United  
Uh uh uh oh oh oh oh uh oh  
I'm getting frightened  
Uh uh uh oh oh oh oh uh oh  
The blacks, the blacks, the blacks, and beat kids  
Uh uh uh oh oh oh oh uh oh  
It's so exciting  
Uh uh uh oh oh oh oh uh oh  
Someday, someday, someday, someday, someday, someday Leeds United
