

You Want More (feat. MAX)

3LAU

I see you
Staring at me from a distance
Eyes say so much, let me listen
Let me listen
I need you
To tell me the things that are missing
If he broke your heart, let me fix it
Let me fix it Did I say too much
Do you need more time
If your love is free, baby, so is mine
Baby, so is mine
Give me a minute, baby
And if you're with it, lady
Then we can make it daily
If you want more
Let's start it simple, baby
No complicated naming
Then we can make it daily
If you want more
If you want more, more, more
If you want Take me to
The places where nobodies been yet
Your lovers, before ain't my business
Ain't my business
There's no need to
Act like we're too cool to kick it, baby
I wanna keep it consistent
Can't resist it
Did I say too much
Do you need more time
If your love is free, baby, so is mine
Baby, so is mine Give me a minute, baby
And if you're with it, baby
Then we can make it daily
If you want more
Let's start it simple, baby
No complicated naming
Then we can make it daily
If you want more
If you want more, more, more
If you want more, more, more
If you want
