

Boss Mode

Knife Party

When the planets collide, stars in your eyes,
open your mind, angel in disguise.
Planets collide, stars in your eyes,
open your mind, angel in disguise.
SWITCHWhen the planets collide, stars in your eyes,
open your mind, angel in disguise.
When the planets collide, stars in your eyes,
open your mind, angel in disguise.
SWITCHWar, love or peace, war, love or peace.
War, love or peace, war-war, love or peace.
Best protect-tect, best-best protect your neck. Wake up, wake up, wake up, wake up, SLIGHTLY
DIFFERENTWhen the planets collide, stars in your eyes,
open your mind, angel in disguise.
When the planets collide, stars in your eyes,
open your mind, angel in disguise. War, love or peace, war, love or peace.
War, love or peace, war-war, love or peace.
Best protect-tect, best-best protect your neck.
