

She Knows

Thin Lizzy

Who's got the funk
When you're feeling low down
Who's going to love you
When there's no one else around Who's going to help you
Especially when you're sick
Mother Mary
I need you quick She knows and she gives her everything
She knows and she can do her thing
She knows and she tries her best
She knows, oh, you know she knows Who's got the junk
When you're feeling low down
Who's going to give
When there's none to go around
Who's going to help you
When you feel you've had enough
Mother Mary
This time it's rough But Mother Mary
Do you feel the pain?
I'm falling down
And I can't get up again Do ya, do ya, do ya
Do ya, do ya, do ya
Just a slide guitar injection Who's going to help you
Especially when you're ill
Loving Mary
I hope you will
But Mother Mary
Do you feel the pain?
I'm falling down
And I can't get up again Do ya, do ya, do ya
Do ya, do ya, do ya Mother Mary, is there nothing you can do?
