

# She Knows

## Thin Lizzy

Who's got the funk  
When you're feeling low down  
Who's going to love you  
When there's no one else around Who's going to help you  
Especially when you're sick  
Mother Mary  
I need you quick She knows and she gives her everything  
She knows and she can do her thing  
She knows and she tries her best  
She knows, oh, you know she knows Who's got the junk  
When you're feeling low down  
Who's going to give  
When there's none to go around  
Who's going to help you  
When you feel you've had enough  
Mother Mary  
This time it's rough But Mother Mary  
Do you feel the pain?  
I'm falling down  
And I can't get up again Do ya, do ya, do ya  
Do ya, do ya, do ya  
Just a slide guitar injection Who's going to help you  
Especially when you're ill  
Loving Mary  
I hope you will  
But Mother Mary  
Do you feel the pain?  
I'm falling down  
And I can't get up again Do ya, do ya, do ya  
Do ya, do ya, do ya Mother Mary, is there nothing you can do?
