## I Cried for You

## **Katie Melua**

You're beautiful so silently It lies beneath a shade of blue It struck me so violently When I looked at youBut others pass, they never pause, To feel that magic in your hand To me you're like a wild rose They never understand whyI cried for you When the sky cried for you And when you went I became a hopeless drifter But this life was not for you Though I learned from you, That beauty need only be a whisper I'll cross the sea for a different world, With your treasure, a secret for me to holdIn many years they may forget This love of ours or that we met, They may not know how much you meant to me.I cried for you And the sky cried for you, And when you went I became a hopeless drifter. But this life was not for you, Though I learned from you, That beauty need only be a whisperWithout you now I see, How fragile the world can be And I know you've gone away But in my heart you'll always stay. I cried for you And the sky cried for you, And when you went I became a hopeless drifter. But this life was not for you, Though I learned from you, That beauty need only be a whisper That beauty need only be a whisper
