Red Balloon

Charli XCX

If you've got troubles let them go Let them soar so high High into the sky Just like a red balloon Don't let your worries get to you Let them float on by High into the sky Just like a red balloonMonday morning Shoot up like a rocket Yeah the sun is shining Keep it in my pocket Got this golden feeling Never gonna stop it Just goes on and on Keep on clapping Join the celebration Turn the music louder On my favourite station Wanna spread my magic

Do it all day longToday I opened my eyes and now I'm so happy and free
I got my friends by my side and that's all that matters to me
So come on get up and join in cos' this is just what you need
Let's do it all day longToday I opened my eyes and now I'm so happy and free
I got my friends by my side and that's all that matters to me
So come on get up and join in cos' this is just what you need

All across the nation

Let's do it all day long
If you've got troubles let them go

Let them soar so high

High into the sky

Just like a red balloon

Don't let your worries get to you

Let them float on by

High into the sky

Just like a red balloonSo turn it up nowBee's are buzzing

Butterflies are dancing

And the trees are humming

Birds are singing songs

Oh can't you see it's lovely?

Life is beautiful

And it goes on and onToday I opened my eyes and now I'm so happy and free I got my friends by my side and that's all that matters to me

So come on get up and join in cos' this is just what you need
Let's do it all day longToday I opened my eyes and now I'm so happy and free
I got my friends by my side and that's all that matters to me
So come on get up and join in cos' this is just what you need
Let's do it all day longIf you've got troubles let them go

Let them soar so high
High into the sky
Just like a red balloon
Don't let your worries get to you
Let them float on by
High into the sky
Just like a red balloon
So turn it up now
So turn it up now
So turn it up now
