

# I'm Your Doll

**FKA twigs**

Stop playing with those other girls  
You know it makes me jealous baby  
Why won't you be the only one?  
The only one...  
The only one...Stop playing with those other girls  
You know it drives me crazy  
I'm feeling like a loaded gun  
And when it's done I'm the only one  
I'm your doll  
Wind me up  
I'm your doll  
Dress me up  
I'm your doll  
Love me rough  
I'm your doll  
I'm your doll Complete, I'm here, alone  
Just won't be there to hold me to  
Look into my eyes, my eyes  
Complete, I'm here  
I'm here, I'm here  
Look into my eyes  
And tell me that your here to  
Stop playing with those other girls  
You know it drives me crazy  
I'm feeling like a loaded gun  
And when it's done I'm the only one I'm your doll  
Wind me up  
I'm your doll  
Dress me up  
I'm your doll  
Love me rough  
I'm your doll  
I'm your doll I'm your doll  
I'm your doll
