Ride (feat. Gary Clark Jr.)

ZZ Ward

I feel the wind run through my hair
Top down, the sun's gonna lead us there
Ray Bans and this '64's all we need
Don't let your head get in the way
Just let your heart beat wild and free
Open the door, jump in, and turn the keyI live my life out on the edge
Yeah, I don't stop just 'cause it's red
Let's push this thing, see what we get
This black pavement, these yellow lines
Are pulling us into the night
I feel my temperature riseRide, ride, ooh
Ride, ride, ooh
Ride, ride, yeah we gon' ride
I used to sit inside my room
Dreamin' of things that I could do
Too scared to put my hands up on the wheel, oh
Now I'm with you, and I can't look back
It's such a rush when we're moving fast
I can't deny the way you make me feel, whoaI live my life out on the edge
Yeah, I don't stop just 'cause it's red
Let's push this thing, see what we get
This black pavement, these yellow lines
Are pulling us into the night
I feel my temperature riseRide, ride, ooh
Ride, ride, ooh
Ride, ride, ooh
Ride, ride, yeah we gon' ride
Ride, ride, ride
Pedal to the floor
Ride, ride, ride
What you waitin' for?
Ride, ride, ride (Ride, ride, ride)
Pedal to the floor (Pedal to the floor)
Ride, ride, ride (Ride, ride, ride)
What you waitin' for?
