

# Sweet Dream (2013 Stereo Mix)

## Jethro Tull

You'll hear me calling in your sweet dream  
Can't hear your daddy's warning cry  
You're going back to be all the things you want to be  
While in sweet dreams you softly sigh You hear my voice is calling  
To be mine again  
Live the rest of your life in a day Get out and get what you can  
While your mummy's at home a-sleeping  
No time to understand  
'Cause they lost what they thought they were keeping  
No one can see us in your sweet dream  
Don't hear you leave to start the car  
All wrapped up tightly in the coat you borrowed from me,  
Your place of resting is not far You hear my voice is calling  
To be mine again  
Live the rest of your life in a day Get out and get what you can  
While your mummy's at home a-sleeping  
No time to understand  
'Cause they lost what they thought they were keeping  
Get out and get what you can  
While your mummy's at home a-sleeping  
No time to understand  
'Cause they lost what they thought they were keeping
