

When You Love Someone

Bryan Adams

When you love someone
You'll do anything
You'll do all the crazy things that you can't explain
You'll shoot the moon Put out the sun
When you love someone
You'll deny the truth Believe a lie There'll be times that you'll believe you can really fly
But your lonely nights have just begun When you love someone
When you love someone
You feel it deep inside
And nothin' else could ever change your mind
When you want someone
When you need someone
When you love someone
When you love someone
You'll sacrifice
You'd give it everything you got
And you won't think twice
You'd risk it all
No matter what may come
When you love someone
You'll shoot the moon
Put out the sun
When you love someone
